## EDUCATION 2008

---

### FEBRUARY

Our January Education Committee meeting was very exciting and many new ideas were discussed.

- Confirmation Classes began on Monday, February 4th.
- Lorraine Stanhope joined our committee and is our new Librarian. Lorraine wants the library to be beams of a Summer Bible Camp where area children can come together every a.m. for one week. Some dedicated volunteers are needed to take on this project. I will be contacting our neighboring Churches to find out what their summer plans are. Our enthusiastic group would love to see our Church be part of a large, organized "Federal Hill Bible Camp"! Any interest in this project can be discussed with the Pastor, myself or any education work area member.
- Curriculum for the 2008 - 2009 Sunday School year was discussed. Curriculum suggestions were presented by our teachers and will be discussed with Pastor Stevens.

### AUGUST

- Sunday School curriculum, offering envelopes and Bibles for our Second Grades have arrived.
- Returning Sunday School families will be mailed registration forms and an invitation letter to attend Rally Day and Registration Sunday.
